

SUFFOLK

PROJECT
ORANGE

THIS SMALL BOOK IS A CELEBRATION OF OUR LOVE FOR EAST ANGLIA. HAVING LIVED IN LAVENHAM FOR ALMOST 20 YEARS WE HAVE A GREAT AFFECTION FOR THE COUNTY OF SUFFOLK. WE HAVE BEEN FORTUNATE ENOUGH TO WORK ON MANY DELIGHTFUL PROJECTS BOTH IN THE VILLAGE AND BEYOND. DRAWING ON LOCAL ARCHITECTURE AND CRAFT OUR WORK EVOKES A STRONG SENSE OF PLACE WHILE INJECTING NEW INFLUENCES AND IDEAS. MAYBE THAT IS WHY WE ARE KNOWN AS THE COMPOSER AND THE COLLAGIST. FROM THE TUDOR TIMBER FRAMED ARCHITECTURE OF THE WOOL TOWNS TO SEASIDE SHACKS ON THE COAST, THERE ARE THREADS THAT INFORM OUR RESPONSES AS DESIGNERS BOTH TO FORM AND MATERIALITY. WE BELIEVE THAT DESIGN THINKING IS AS IMPORTANT TO THE COUNTRYSIDE AS IT IS IN OUR CITIES, AND WE HOPE TO CONTINUE OUR QUEST TO BRING NEW IDEAS TO NEW PLACES.
